English:	
Phonics - revise	All initial sounds Phonicsplay Flash Cards phase 2 & 3 Tricky Word Trucks
Teach:	'sp' Please see the 'sp' poster below and explain how it might sound like sb but words don't start with these two letters together.
Reading:	Blending for reading: If you write the following words out can your child have a go at reading them? spot, spin, spoon, speck, spark Challenge - put sp words into sentences for your child to read. Make some alien words i.e. sparf, spooss, spaig, spoan ...
Writing:	Sentence/s containing the sp blend and if possible the word are. I.e. There are spots on the spider. I am in space! Are you going to spin?  Another activity could be if you use the 'sp' words i.e. spot and write it out then cut it into individual letters so s-p-o-t muddle them up - you say the word then can your child put them in the correct order? Be careful if you have a digraph! Maybe they could tell you if there is a digraph hiding in the word before it is cut up!! They could then copy these words.
