

Off on Holiday

'igh'

One night after tea, Dad and Jake went to the airport. They were going on a holiday to America. Their flight was due to take off at half past eight but they arrived early to check in. Once Dad and Jake arrived at the check-in desk they weighed their bags. "These bags are light and are ready to go on the plane," said the lady. Soon after, Dad and Jake walked past security and into the waiting room to watch the planes landing. A few seconds had passed when bright lights appeared from the darkness of the night sky. "Look," said Dad. "That plane is going to land."
