

Tuesday 26<sup>th</sup> January 2021

Good morning Hedgehogs,

Don't forget to send me your PE Challenge scores today. If you want to try something different, logon to YUMU (online music website). You should all have your logins now as I sent them via Dojo last week.

Have a great day,

Mrs Hoddy

Writing Task:

Write your own RSVP to Prince Paul's invitation to the Royal Ball in August. Your challenge is to include as many words as you can with the 'au' spelling.

### Royal Invitation

Your presence is requested By His Royal Highness, Prince Paul to attend his Royal Ball at Buckingham Palace on Saturday fourth of August. Launching at 7pm until midnight. Please wear formal attire (worn and torn clothing will not be permitted)

#### Agenda

Arrive by horse drawn carriage where you will be greeted by his royal footman. You will be taught how to curtsey or bow and how to applause in a royal manner.

After a fourteen-course dinner and Royal dancing, there will be an auction to raise money for charity. Sublime prizes including:

- Four World Cup Final football tickets
- Books signed by famous authors
- High tea with the Queen

Please call the royal palace immediately to confirm your attendance.

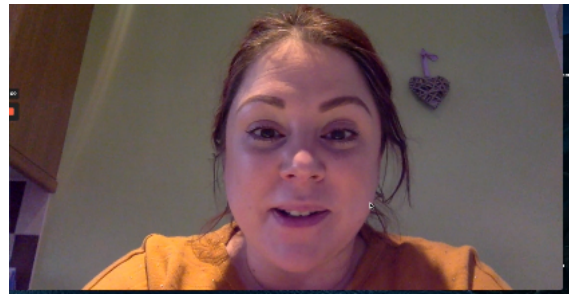

On behalf of his Royal loveliness  
Prince Paul

## Lost and Found

Watch the story below:

<https://www.youtube.com/watch?v=cRAAQ8EWzig>

Then answer these questions with your grown up:  
Your adult can scribe or film you giving your answers.

**How do you think the penguin got to the little boy's house in the first place?** Have fun discussing the possibilities

**Why did the little boy take the penguin to the Lost and Found Office?**  
Because, he went to see if someone had lost a penguin.

**Why is it funny when it says 'some birds are just like that'?** Because he was saying the birds were ignoring him, but birds can't talk.

**How did the little boy find out penguins live in the South Pole?** He read it in a book.

**Why was the penguin sad when they got to the South Pole?** He was lonely and he didn't want the boy to leave him there by himself.

**What mistake did the little boy make?** He thought the penguin was lost so he took him back to the South Pole, but really he was just lonely.

**When he rowed back, why couldn't he find the penguin?** Because the penguin was on the other side of the ice berg, rowing around looking for the boy! They were going around in circles, so they couldn't see each other.

Tick to show if these statements are true or false.

	True	False
The boy thought the penguin was lost.		
Penguins come from the North Pole.		
The penguin was really just lonely.		
The birds told the boy where the penguin came from.		

Science (15 minutes)

*Naming and labelling parts of a plant*

*Watch the teaching video below:*

<https://wwwloom.com/share/5048683b589b4b188ca967e9ecfd891>

**Task:**

Draw a diagram of a plant. Label the parts including: roots, stem, leaves and flower. Write a caption or sentence for each label describing its function (what it does). Use the definitions below to help.

**Definitions:**

- **Roots** - the roots of a plant act as an anchor, fixing the plant into the ground. They also absorb water and minerals to help the plant to grow.

- **Stem** - the stem of a plant grows above the ground. The leaves and flowers grow from it. The stem is also used to transport water and minerals around the plant.
- **Leaves** - a plant's leaves absorb sunlight and turn it into energy that the plant uses to grow.
- **Flower** - the flower is the part of the plant where seeds are made.
