Maths (20 minutes)

Today we are learning about one more and one less.

Task:

 #MathsEveryoneCan 

Count some toys into your toy box.  
Ask a helper to take out one toy whilst you are not looking. Can you spot who is missing?

What happens to the number of toys when you take one out and then put it back? Does it matter which toy you remove?

Now play this game! Count how many ladybird dots you can see and then match it to the correct number by clicking on the number.

Ladybird Dots with the Number

Find the match  
Tap the matching answer to eliminate it. Repeat until all answers are gone.

Task: Now talk about these questions about  
Shrove Tuesday with a grown-up in your home.

1. Shrove Tuesday is the last day before what?

2. What is Lent?

3. How is Shrove Tuesday celebrated in England?

You could always have a go at making a  
pancake! Here is a recipe:

<https://www.bbcgoodfood.com/recipes/easy-pancakes>

Or design your own 'pancake face' by drawing it  
on a piece of paper or printing out this activity:

Cut and stick some eyes, a nose and a mouth to make a face on the pancake.
